ADJUSTABLE
HANDLE

360° adjustable

The 360° adjustable handle greatly expands the possible illumination area. Therefore, you can see clearly where you need it and when you need it.

HANDS-FREE MOUNTING **WITH THE MAGNETIC HANDLE**

The lantern includes a built-in magnetic handle which allows you to affix the light to most metal surfaces, leaving both hands free for the task to be completed.

TRIPOD SOCKET
FOR MORE FLEXIBLE USE

Use the standard tripod socket to attach the lantern to a variety of photography/shooting/survey tripods to steadily direct the light where you need it. Plus the 160° wide beam angle is great for use in camping and photography.

* Tripod purchased separately.
